

**Company: BKV Group**

**Location: Washington, DC**

**Job Title: Senior Project Architect (Government projects)**

**Reports to: Director of Architecture**

---

**Description:**

BKV Group seeks talented Senior Project Architect with 10-15 years of local / state government and corporate experience to join our Washington, DC office. The candidate must have a well-rounded architecture experience in all aspects of design and documentation with local/state government clients. Experience with leading edge multi-family housing and commercial clients is also beneficial.

- Works closely with Partner in Charge and Project Manager to support the design and technical tasks for small to mid-scale projects
- Implements the code review requirements and the respective documents to obtain review and approval of the plans for code compliance
- Plans layout of project and coordinates and integrates engineering elements into unified design for client review and approval
- Prepares scaled drawings and contract documents for document packages to contractors
- Prepares project production design and drawings using Revit and other computer assisted design software and equipment
- Coordinates design and production drawings with specification documents
- In conjunction with the Project Manager, directs activities of staff engaged in preparing drawings and specifications
- Implements technical reviews as part of production process
- Involved in periodic on-site observation of work during construction to monitor compliance with documents
- Reviews required design submittals and shop drawings in coordination with the Construction Administration project lead
- Ability to prioritize and concurrently service multiple projects
- Maintains effective communication with project team members and clients as required

**Qualifications:**

- Professional degree in architecture
- Professional registration
- Proficiency with Revit
- LEED AP optional
- 10-15 years related experience
- Experience with direct client contact/communication
- Experience leading major CIP projects of \$500k-\$20M, and K-12 education projects preferred

With excellent benefits, competitive salaries and constant opportunities for growth, BKV Group gives you the tools to realize your creativity. If you have an interest in working with a diverse group of talented architects and designers, creating exciting environments, enjoy collaboration and challenges, we'd like to talk with you. Please submit your resume and portfolio. Please indicate your desired location and position.
