

Company: BKV Group
Job Title: Landscape Designer I
Reports to: Director of Landscape Architecture

Description:

BKV Group seeks talented Landscape Designer I with 2-4 years of related experience to join our team. The ideal candidate has landscape architecture experience in all aspects of design and documentation with leading edge multi-family housing, commercial and local government clients.

- Assists in the implementation of design concepts primarily for multi-family residential exterior spaces and physical environments.
- Preparing project design drawings, details, and specifications from schematic design through construction documents in Revit or AutoCAD.
- Creating 3D computer models using Revit, 3D Studio Max, SketchUp, or similar programs.
- Create color plans, renderings, project elevations, perspectives, and presentation boards.
- Assist with precedent and visioning studies.

Qualifications:

- Landscape Architecture degree from an accredited university.
- Familiar with standard concepts, practices, and procedures within the field such as placemaking, ecology, stormwater/drainage, climate, soil, grading, and plant materials.
- 2-4 years related experience; entry level will be considered.
- Must have the ability to communicate effectively and work efficiently with team members.
- Must be proficient in Revit, AutoCAD, Adobe, and Microsoft Office Suite. Additional technical skills preferred, such as SketchUp.

With excellent benefits, competitive salaries, and constant opportunities for growth, BKV Group gives you the tools to realize your creativity. If you have an interest in working with a diverse group of talented design professionals, creating exciting environments, and enjoy collaboration and challenges, we'd like to talk with you. Please submit your resume and portfolio (PDF of no more than 5MB). Please include your name, desired position and location in email subject line.
