

Company: BKV Group
Job Title: Landscape Architect I
Reports to: Discipline Lead Urban Design & Landscape Architecture

Description:

BKV seeks a Landscape Architect I to join its Landscape and Urban Planning practice. The ideal candidate will be a flexible, team-oriented individual with strong time management skills, a desire to learn and participate in all phases of design. The Landscape Architect I will be a critical member of a network of design professionals across the firm who value collaboration, fresh insight, and excellence in design and documentation. The candidate will serve as landscape architect for various BKV Group projects by performing the following duties.

- Assists in the implementation of design concepts primarily for multi-family residential exterior spaces and physical environments.
- Preparing project design drawings, details, and specifications from schematic design through construction documents in Revit.
- Creating 3D computer models using Revit, 3D Studio Max, SketchUp, or similar programs.
- Create color plans, renderings, project elevations, perspectives, and presentation boards.
- Assist with precedent and visioning studies.

Qualifications:

- Landscape Architecture degree from an accredited university.
- Familiar with standard concepts, practices, and procedures within the field such as placemaking, ecology, stormwater/drainage, climate, soil, grading, and plant materials. The ability to evaluate the project's impact on the local ecosystem at all stages. Experience with green roof construction a plus.
- 1-8 years' experience as a licensed landscape architect.
- Must have the ability to communicate effectively and work efficiently with team members.
- Must be proficient in Revit and Microsoft Office Suite. Additional technical skills preferred, such as SketchUp.

With excellent benefits, competitive salaries, and constant opportunities for growth, BKV Group gives you the tools to realize your creativity. If you have an interest in working with a diverse group of talented design professionals, creating exciting environments, and enjoy collaboration and challenges, we'd like to talk with you. Please submit your resume and portfolio (PDF of no more than 5MB). Please include your name, desired position and location in email subject line.
