

A schematic map of the Loews Miami Beach Hotel and its surroundings. The hotel is depicted as a large, light gray building with a complex, irregular shape. To the left of the hotel, a road labeled "Collins Ave" runs vertically. A circular feature, possibly a fountain or a roundabout, is located between the road and the hotel. To the right of the hotel, there is a light blue, irregularly shaped area representing a pool or a body of water. The entire map is set against a light green background, which represents the surrounding landscape or grounds. The text "LOEWS MIAMI BEACH HOTEL" is centered within the hotel's footprint. Below the main building, there is a smaller, rectangular structure labeled "LURE FISHBAR PATIO" with a red star icon above the text.
